

MEN, WAKE UP!

Is Your Back Weak?
Are You Easily Tired?

Have You Dragging Pains?
Have You Varicose Veins?

Have you lost the fire and strength of youth? Have you "come and go" pains in your back and shoulders? Are you growing old too soon?

If you have these symptoms or any other sign of breaking down of your nerves and vitality you will find new life in electricity as applied while you sleep.

DR. McLAUGHLIN'S ELECTRIC BELT

It is made for you. It is the best way to use electricity. It pours a gentle stream of life into the weak parts continually for hours every night. It refreshes the nerves, expands the vital powers, enriches the circulation and makes you feel bright, active and vigorous in one night's use. You get stronger each day, and in a few weeks you are a new man, stronger and younger in the fire of youth. It is grand, this method of mine, and every man who has ever used it is praising it.

TRY IT NOW.

Don't delay trying it. Your future happiness depends on your checking this drain upon your vitality, so stop it now and you can be sure of a long and vigorous life, full of the joys of a healthy vigor. Don't drug. Drugs can't cure you, as you know if you have tried them. My Belt cures because it increases your nerve power and vitality. If you will call I will give you a free test of what I can do. If you can't call send for my beautiful illustrated book, telling about my method. I send it sealed free. I have 50,000 cures. Call or write today. Send this ad.

At the Dinner Table A Diluter for Wine

STILL wines are made sparkling when mixed with " "

white rock water

They are, in this way, given a zest and life, unequalled except by the best champagne. The dinner out or the gentleman who must entertain much at his club, will do well to note that the table will be supplied with this water. It is given a prominent place on the wine list of the most exclusive clubs in America, and has been honored by Presidential approval when served at the Inaugural Ball Banquet in Washington. The palate of epicures is gratified to the utmost by WHITE ROCK WATER.

temporary appointment of Dr. French as physician to the Settlement at \$250 a month was confirmed, also the claim of the retiring incumbent, Dr. Oliver, for a month's pay in advance according to terms of engagement, was voted correct. The appointment of J. D. McVeigh as superintendent at \$225 a month from April 21 was confirmed.

Miscellaneous Business.

The report on condemned ponds at Kalia was No. 3 on the order, but put off to the last and then passed on to next meeting.

The condemnation of buildings at Kakaia, Maui, was discussed only to be laid on the table.

Dr. L. S. Thompson was granted leave of absence from Kau district for three months, Dr. J. L. McClelland to be his substitute, from May 15.

Father Matthias was granted his request for an extension of the permit to Brother Lawrence as a substitute for Brother Seraphine at the Baldwin Home, Kalawao.

A form of license to the Metropolitan Meat Co. for its sewer at Kakaia was approved.

Mrs. Kaleo Milika was granted permission to visit her husband at Kalaupapa by the next trip of the steamer Lehua but not to stay a week as requested.

Dr. L. E. Cofer, U. S. quarantine officer, reported: Sydney, April 1—plague to date, 40 cases, 15 deaths; last previous week, 12 cases and 4 deaths. Manila, March 31—cholera, 84 cases and 45 deaths; smallpox, 2 cases; plague, 1 case and 1 death.

Plumbing Inspector E. G. Keen reported for the first half of April 36 plans filed and permits issued; 112 inspections made, 31 final certificates issued and 15 sewer connections made.

Dr. B. D. Harrison, St. Paul, Minn., wrote about a scheme for an interstate system of examining physicians for license to practice, whereby a doctor would not require to be examined every time he moved from one part of the country to another. On motion of Dr. Cofer his letter was referred to the board of medical examiners for an expression of their opinion.

Dr. F. H. Turck of somewhere wrote asking the Board to pass a resolution in favor of having dietetics, hydrotherapy and physio-mechanical therapeutics taught in the public schools. It was with scarcely veiled sarcasm voted to reply that the matter would be considered at an early day.

With regard to wells at Kakaia, a committee reported that nothing could be done further than to advise the people to boil the water before using it.

Mrs. Moore and Storck, as committee on soda water bottles, were awaiting further information on the quantity of lead in stoppers from Consumer No. Federal Assistance.

President Sloggett submitted the following letter from Surgeon General Wyman in reply to the request for Federal assistance in placing Honolulu in good sanitary condition:

"Treasury Department, Office of the Supervising Surgeon General Marine Hospital Service, Washington, D. C., April 1, 1902.

"Passed Assistant Surgeon L. E. Cofer, Chief Quarantine Officer, U. S. Marine Hospital Service, Honolulu, Hawaii.

"Sir:—Referring to your reference of March 12, 1902, upon letter of same date from the president of the Board of Health of the Territory of Hawaii, inquiring whether the Epidemic Fund is available for cleaning Honolulu, I have to inform you that said fund is not available for this purpose. It is only used in emergencies and is not used for cleaning a city. In the case of San Francisco, the salaries of the medical officers of the Marine Hospital Service there on duty during the outbreak of plague were paid by the Service from the Epidemic Fund but the expenses of cleaning the city were paid by the city of San Francisco and the State of California jointly.

"Respectfully,

"WALTER WYMAN,
"Surgeon General, U. S. H."

Mr. Isenberg asked if the merchants of Honolulu had promised any money for city cleaning purposes. Dr. Sloggett could not say that they had. On motion of Mr. Mott-Smith seconded by Mr. Isenberg, it was then voted that the Chamber of Commerce and the Merchants' Association be invited to send a committee to meet the Board at its next meeting, also that a copy of Surgeon General Wyman's letter be sent to the secretary of each body with the invitation.

BUILDING MATERIAL ADVANCE.

San Francisco, April 4.—All building material in San Francisco is advancing in price by jumps, with the single exception of brick.

A few weeks ago common surface redwood was \$12 a 1000, now it is \$14, with another rise imminent. Pine has followed and an advance of \$2 a 1000 has just been ordered. The cause for this advance are principally the lack of shipping facilities to bring material from the hills to market and the unexampled domestic and foreign demand for California constructed woods. The Government, for instance, needs 200,000,000 feet of timber for the Philippines; a large order has been received from Siberia and trade with Hawaii and Australia is increasing rapidly. In fact orders for sea shipments cannot be filled.

With structural iron and steel there has been a similar increase. Since March 10 these materials have been advanced from \$2.50 to \$1.85 a ton and this price next week will be advanced to \$5. Brick will fall in price because of the dissolution of the brick combine.

David Wells, the wealthiest man in Wisconsin, built a Milwaukee office building of pure white glazed terra cotta, the only one of the sort in this country.
